The Bilingual Voice of the Ottawa Valley

CKCH

The buying power in the Ottawa Valley, which includes Ottawa, Hull and territories within a radius of 70 miles, is completely covered through station CKCH.

Mr. S. R. Morss,
R-3 Bradford,
Mass. U. S. A.

Dxer,

Your report is correct on the Xmas broadcast. The Station normally operates 14hrs. per day on a frequency of 1240kc. The output power is 250w. The antenna is a Blaw-Knox vertical radiator 204ft. high. The Xmitter is a product of the Can. Marconi Co. and can be operated on 100 or 250 watts. Thank you Dxer for your report. M. Gebhardt.
